

Professor's Meier and Werzilek from the University of Innsbruck from Austria held a week lectures' with students of UPZ.

The University "Ukshin Hoti" in Prizren, this week was visited by two professors from the University of Innsbruck, within the Erasmus + program. They have taught lectures available to students of different programmes of the UPZ. Prof. Dr. Forg Meier and Prof. Dr. Roland Werzilek, taught lectures to students of the Faculty of Philology, department of German language for students of the Faculty of Education, as well as the Law and Economics Faculty. The visit of those professors from this prestigious European university has been organized by Prof. Ass. Dr. Kimete Canaj and Prof. Dr. Izer Maksuti , both full professors' at the University "Ukshin Hoti" in Prizren.

Professors Werzilek and Meier hereby stated that they felt very well in Prizren these days during they staying and they were impressed by the academic staff of the programme of the German Language of UPZ, and the great interest of students to learning and very good level of knowledge of German and English Languages. They said they had a fruitful discussion with the academic staff of the German Language Programme and discussed the way of enhancement of this program in the future. They added that they are ready to support UPZ in many aspects in order to develop the university.
