

Call for Participation - International Workshop Making multilingual universities work

Call for Participation - International Workshop

Making multilingual universities work: Case studies

13 July 2022 - University of Applied Sciences FH Wien

In many places, long-standing local multilingual contexts in complex ways with the ongoing internationalisation of higher education. This workshop aims at sharing recent insights into the resulting language strategies and to debate solutions. This workshop will bring together researchers, academics and university managers to share research insights and experiences as members of multilingual universities in the Western Balkans and elsewhere.

The workshop is organised by the GMR Project HERAS+ 4.06.2022. Community-based multilingualism needs internationalisation. The University of Applied Sciences FH Wien as a focus of intercommunity contact in Europe.
