

Meet the 1st Keynote Speaker of 4th International Scientific Conference BRIDGE 2025

The poster is set against a light blue background with a decorative graphic of stylized human figures in yellow and blue. At the top left, there are logos for WDS 2025, the University of Jyväskylä (UKJMSU), and SHER (Sustainable Higher Education and Research in Europe). The main text reads: '4th INTERNATIONAL SCIENTIFIC CONFERENCE "BRIDGE 2025" THE FUTURE OF SCIENCE, CHALLENGES AND OPPORTUNITIES'. Below this, it identifies the 'Keynote Speaker' as 'Dr. Klaus Schuch, Centre for Social Innovation, Austria, SHER International Expert'. A portrait of Dr. Schuch is shown in a grey-bordered box. To the right of the portrait, a yellow speech bubble contains the text 'The Future of Science: Challenges and Opportunities'. At the bottom right, the dates '21-22 NOVEMBER 2025' are displayed in large, bold, yellow letters, with 'University "UKJMSU" Jyväskylä, Republic of Finland' written in smaller text below.
