

Rektori Vataj monitors students election at the UPZ- by encouraging students to participate on the elections.

Rector of University "Ukshin Hoti" in Prizren, Prof. Dr. Ramë Vataj, and Secretary General, Burim Berisha, chairman of the CEC, accompanied by collaborators on Thursday, have monitored the progress of the election process for faculty student councils and for students parliament. Rector Vataj is assured that the process is developing smoothly. He has asked members of election councils in the faculties to ensure that the electoral process closes the comfort of the respective rules. Rector Vataj at the same time urged all students to use their right to vote and choose the best among them to represent them for the next two years. Polling stations remain open until 18:00.
