

# Ftesë për pjesëmarrje në konferencë: Community-based multilingualism meets internationalization: the University of Prizren as a nexus of intercommunity contact in Kosovo

Call for Participation - International Workshop  
Making multilingual universities work: Case studies  
12 - 13 July 2022 - University Ushtria Hot Prizren & online

In many places, long-standing local multilingualism interacts in complex ways with the ongoing internationalization of higher education. This workshop aims at sharing recent insights into the resulting language strategies and to debate solutions. The workshop will bring together researchers, academics and university managers to share research insights and experiences on matters of multilingual universities in the business, culture and education.

The workshop is organized by the **EM-Project (HERAS-X-06-2022)** Community-based multilingualism meets internationalization: The University of Prizren as a nexus of intercommunity contact in Kosovo.
