Call for Participation - International Workshop

Making multilingual universities work: Case studies

13 July 2022 - University Ekshin Hoti Prishtinë & online

In many places, long-standing local multilingual practices in complex ways with the ongoing internationalisation of higher education. This workshop aims at sharing recent insights into the resulting language practices and to debate solutions. This workshop will bring together researchers, academics and university managers to share research insights and experiences as members of multilingual universities in the Western Balkans and elsewhere.

The workshop is organised by the GMR Project HERAS+ 6.06.20212. Community based multilingualism needs internationalisation. The University of Pristina as a nexus of intercommunity contact in Kosovo.
